The Honorable Rosa L. DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the rehabilitation of Sugar Ridge Road in the City of North Ridgeville in Fiscal Year 2024. The entity to receive funding for this project is the **Northeast Ohio Areawide Coordinating Agency, located at 1299 Superior Ave. E., Cleveland, OH 44114.**

The funding would be used on behalf of the City of North Ridgeville to rehabilitate Sugar Ridge Road between Waterbury Blvd. just to the east of Bender Road for a total of 1.05 miles. It will include new sidewalks and bicycle facilities within the existing right-of-way. This project is an appropriate use of taxpayer funds because it will reconstruct an important corridor, including currently non-existent multimodal components, leading into neighboring downtown Elyria, which is the county seat. It would provide continuity of the local transportation system in a densely populated area.

The project has a Federal nexus because it is for the purposes authorized in in 23 U.S.C. 133.

I certify that neither I nor my immediate family has any financial interest in this project.

I hereby certify that this request will be made publicly available on my Official Website as required by the House Appropriations Committee's policy that only posted requests will be considered.

Sincerely,

Robert E. Latta
Member of Congress
